John,

Any of the dates should work for us. Let us know if you want us to reach out to the tribe with a set of dates.

Hi Sherry,

All these dates should work for me. Earliest is best of course.

Subject: Possible Dates for Tower Standard Call

Bob,

John Robinson called me and asked me for days that would work for us to have the all-inclusive call to discuss Tower Standard. This would include DNR (Chris, Judy and John), REI (Dave and his boss), the Kozaks, EPA (Bob and Sherry), and the tribe (Kristen Hanson). This would be the meeting where we would set up a schedule all the way up to the 2020 sunset date.

These are the dates that work for the 3 DNR representatives (based on John's read of their electronic calendars – he needs to verify):

March 10

March 18

March 21

March 24

March 25

These dates can work for me. Do they work for you?
